Dear Ms. Raudez,

Thank you for helping to make it possible for families to move into their new homes! On Saturday, January 8<sup>th</sup>, five homes were dedicated in Fullerton, empowering five hard-working families to look forward to hopeful, better futures.

Please accept the enclosed Certificate of Appreciation expressing our gratitude to you for helping to make it possible for families to achieve the American Dream of home ownership. Also enclosed is the dedication program expressing our gratitude to you and many others who have helped to change lives and communities for the better.

Thank you again for your commitment and generosity. Because of your desire to make a difference in Orange County, these families can now walk into their homes feeling safe and secure.

Sincerely,

Heather McKenzie-Densmore, CFRE  
Vice President, Development

P.S.

Habitat OC's mission is to transform lives and communities by helping families in need build and purchase or renovate their own homes. Our goal for the next two years is to have 212 homes completed by 2012! With your contributions, many more families will see a brighter future.
